WE RENEW AND UPGRADE YOUR EXISTING STAINED GLASS WINDOWS RESTORING AND PRESERVING THE TREASURES OF THE PAST

Nativity Church Chapel

The Chapel of the Blessed Sacrament at Nativity Church in Torrance is being remodeled. Ancient Arts has re-sized and completely restored the superb stained glass windows which had sustained some damage and sagging over the years: the Angel and Child, pictured and Jesus, the Good Shepherd.

Christ the Redeemer

When Our Lady of Guadalupe Church was closed, the congregation joined the parish of Christ the Redeemer in Grand Terrace, located near Riverside. Their stained glass windows were put into storage at Christ the Redeemer.

However, these windows were old and had sustained considerable breakage, sagging and lead deterioration.

Ancient Arts is currently hard at work on a complete restoration of 17 panels. These are intended to be retrofitted into Christ the Redeemer during a major remodeling which will occur in the near future.
